**DONATION FORM**

***PLEASE HELP US TO HELP THEM***

Established in 1990 and formally known as KCHT, Avante Partnership is a charitable company employing more than 1500 staff to provide care and support to over 300 people daily.

**Avante Care and Support** manages our Care Homes which are situated across Kent, Medway, Bexley and Greenwich and provide 24-hour residential care for older people who are physically frail or who have specialist dementia care needs. Most homes also provide Day Care, rehabilitative care and respite care.

It also manages our Community Support service. This is our domiciliary care service providing support to older people and those with a physical or learning disability, helping them maintain independence and remain living in their own homes. We also provide supported living services within sheltered housing schemes.

**Stepahead Support** provides support for young people aged 16-21 who are living independently, helping them to build sound foundations for the future. Working through drop-in centres across the county, our keyworkers and volunteers enable young people to find practical solutions to the difficulties they are experiencing and provide one to one support to enable them to succeed. The service also supports children aged 10-16 and their families who are experiencing challenges in their lives. Through mediation, our keyworkers help families to find effective long-term solutions that enable families to stay together.

The **Charitable Fund** make grants to Service Users and their families to meet personal development or financial need. Grants have been made for such diverse items such as assisting in setting up home for the first time, to purchase appropriate clothing for interviews and subsequent employment offers, to enrol in art classes or group outings for families or Service Users.
